an indican which is derived from an indigo plant and a β -glucosidase enzyme component as claimed and wherein the dye mordant is selected from the metal elements as claimed.

Accordingly, the claimed subject matter, as a whole would not have been obvious to one having ordinary skill in the art of hair dyeing formulation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
